Ideal for anyone seeking a lens that quickly adapts to changing environments and gets extra dark in the brighter ones, SunSync® Elite XT offers outstanding lifestyle adaptability with enhanced visual comfort, clarity, and defense.

- ▶ Ultra-fast fade-back speed
- ▶ Extra-dark outdoor color
- ▶ Clearer indoor appearance
- ▶ Ultra-fast activation
- ▶ Exceptional blue light filtration
- ▶ Available in true gray or brown
- ▶ 100% UV protection
- ▶ In-car color retention
- ▶ Outstanding durability
- ▶ One-year satisfaction guarantee<sup>1</sup>

## RESPONSIVE TO MORE THAN LIGHT

Being responsive to the wants and needs of eye care professionals and patients played a big part in the introduction of ultra-fast light-reactive lenses. So, why would we stop there? SunSync Elite XT now features the following upgrades based on input from optical professionals and patients:

- ▶ Clearer indoor appearance<sup>2</sup>
- ▶ Truer gray color
- ▶ Brown color

## SOLID DEFENSE WHETHER CLEAR OR DARK

With SunSync Elite XT, wearers can rest easy whether out and about or in front of the screen, knowing their lenses are always on, delivering **excellent blue light filtration and 100% UV protection**. Clear or dark, the defense remains solid.
